We Care For Your Eyes

OPHTHALMOLOGISTS

Myron I. Lewycky, M.D.

Dr. Lewycky graduated from Northwestern Honors Medical Program at Northwestern University where he completed his Ophthalmology residency. Dr. Lewycky also teaches at Northwestern University. He is a member of the American and Indiana Academies of Ophthalmology, and is certified by the American Board of Ophthalmology. Besides comprehensive Ophthalmology, **he specializes in corneal diseases, corneal transplantation and LASIK vision correction.**

Daniel P. Taglia, M.D.

Dr. Taglia is a fellowship-trained specialist in glaucoma. **He also specializes in cataract surgery and LASIK vision correction.** He graduated with honors from the University of Notre Dame. He then completed his medical training at the University of Michigan Medical School and his ophthalmology residency at the University of Illinois Medical School. He is a member of the American and Indiana Academies of Ophthalmology, and is certified by the American Board of Ophthalmology.

OPTOMETRISTS

Richard W. Ireland, O.D., F.A.A.O.

Dr. Ireland is a graduate of the University of Indiana School of Optometry and has been licensed in Indiana since 1978. He is a Fellow of the American Academy of Optometry and has received the American Optometric Association's Optometric Recognition Award every year since 1986 for continuing education. He is also involved with the Lions Club. **He practices general Optometry specializing in contact lens fitting. Dr. Ireland provides exams for patients who have lost**

vision by prescribing an appropriate low vision appliance to assist the patient with low vision.

OPTOMETRISTS

Colin N. Jack, O.D.

Dr. Jack graduated from the Southern College of Optometry and the University of Illinois with a BS in Biology. He has been a licensed optometrist in Indiana since 1982 where he practices comprehensive optometry, **administers pediatric vision exams, specializing in contact lens fitting, and provides care for low vision patients.**

Sara A. Baker, O.D.

Dr. Baker is a native of Northwest Indiana, graduating from Indiana University School of Optometry, with high honors. She is a member of Go Red for Women a sisterhood of the American Heart Association. Having completed a three month stint in Mexico, she helped to establish an optical lab and provided general eye exams. Dr. Baker is able to provide eye exams in Spanish. Aside from practicing general optometry, **her specialties include pediatric eye exams, specializing in contact lens fitting, care and management of dry eye, providing care to residents in long-term care facilities, and provides care for low vision patients.**

Nikole Paganis, O.D.

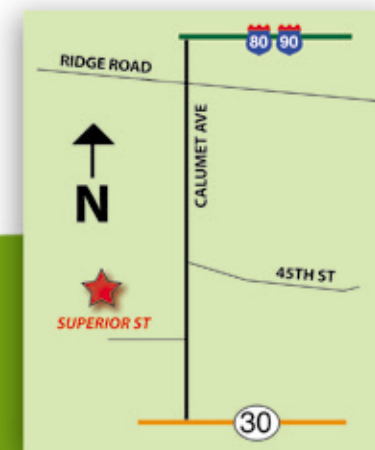

Dr. Paganis, a native of Northwest Indiana, graduated as valedictorian from Lake Central High School. She went on to attend the University of Notre Dame and Indiana University School of Optometry where she received a BS in Biology and her Doctorate of Optometry, respectively. She is a member of both the Indiana and American Optometric Association. She is now a member of the newly-founded ocular disease and emergencies organization, Women of Vision. Dr. Paganis practices primary care optometry with **emphasis on specializing in contact lens fitting, pediatric vision exams, exams for ocular disease and emergencies, and provides care for low vision patients.**
